

Call to Artists

Paint Out, June 25 to July 11, 2018
Art Show, July 14 - 15, 2018

An Invitation to Artists

Enjoy painting at the participating lavender farms. Each artist can choose when and where to paint during each farms “open-for-artists” hours. You’ll have 17 days to paint, so there’s plenty of time and lots of beautiful farms to explore. Many farms are near world class wineries that are scattered throughout the state and a number of farms have mountain(s) as a backdrop to the lovely purple fields. This is a great venue for first-time “en plein air” painters, so don’t be shy, join us for a great painting adventure. Download forms on the website: www.WVLavenderFestival.org.
